## WHY SPONSOR

Sponsoring our DMHA hockey tournaments is a great opportunity for your company to make a meaningful impact on our community's young players.

Our tournaments attract families, other local businesses, and community members, which will provide you exposure through our tournament programs, website advertising and social media.

Your sponsorship will help cover essential costs, ensuring that all young players have the chance to participate and showcase their talents. Join us in creating an unforgettable experience for our young players, and let your company be recognized as a champion of youth sports in our community!
