6. RMAA Update

- 6.1. Female hockey: interested in pursuing starting teams at U9 and or U11 age, goal with this is to build a program to stay within RMAA, great option for families, the girls do not have to leave, they are able to stay and play or choose RMAA. Paige will put a survey out to parents of female players to gauge interest.
- 6.2. Ref reimbursements: FYI historically refs go back to home reimbursements
- 6.3. Hockey equipment: Crossfield was given a ton of equipment when they won the \$ 25000, offer for equipment
 - equipment swap discussion for mid-summer, will revisit closer to set a date
 - RMAA to trial a U16 team to bridge gap between u15-u18
 - CMHA has a fund to assist families, it is supplemented by donations from businesses, called "everyone plays" helps cover registration and other hockey associated costs, in the process of making it a formal society, we could join and help with the process, this could be very difficult...Paige will get more information
